Annie Lockhart's colorful exterior concealed a serious psychic ability. And if her latest visions were true, a serial killer was preying on couples deeply in love. She had been burned by her talents before, so instead of going to the police, she hired private investigator Lucky Santana to find the killer. Even though Lucky wasn't sure about this assignment, Annie drove him crazy, in more ways than one...which made their task all the more torturous: Annie and Lucky set out to look like a happy couple. As their faux relationship turned all too real and passionate, the killer came in for one last deadly showdown.
