Alternative Rock: Alluring, winsome, post-colonial guitar pop. 5 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Combining the diverse backgrounds of England, Australia and Texas, 3storeyhead is like barroom romp through alt-country, brit-pop, and high octane rock and roll. Leland Hotel, their debut EP, covers as much territory in its running time of 23 minutes as most full albums. From the title tracks unflinching tale of hard luck to Waste Paper Girls rich sonic tapestry, 3storeyhead show the depth and richness of their palate. The skills of Producer Tucker Martine (Modest Mouse, The Decemberists, Jim White) shines, adding richness and headphone moments throughout. Leland Hotel is definitely an iPod keeper.
