Space+repetitions-grandeur+guitarnoise+steadyvocals-hyperbole=====accidental sons accidental sons = band of 3 sometimes 4 populate who conglomerate in greenpoint, Brooklyn. Features many guitars, synthesizers, percussive and bass elements and a melodica. These things are employed to create a mess of structured rock songs. The guitars seem to speak for themselves and the players don't apologize for convenient mistakes. Verse chorus songs exist next to linear droners and rhythmically speaking, a clear cut pulse exists with flashes of jumbled synth tones and floor tom bomb drops. Another habit is super delayed rhythms and vocals from an endless cave. These populate have no style only a knack for making accidents into wonderful noise. Their sound drags on, looking for an end yet there's always the future... It's Always Tomorrow...
