

## Mp3 Amish Love Child - Pop: Power Pop

[DOWNLOAD HERE](#)

On the job sort out Americana. Mixing genres of british rock pop, sort outic country, and seventies punk and new wave with beatlesque harmonies and ingenious lyrics everyone can associate to. 12 MP3 Songs  
POP: Power Pop, Rock Americana Amish Love Child Songs Details: Amish Love Child, a trio founded in Eugene, is comprised of singer/songwriter Troy Krusenstjerna, a native of Eugene, Oregon, on guitar and lead vocals, Tony Gilchrist, from Austin, Texas, on bass guitar and backing vocals, and Jeff Davis, from Santa Cruz, California, on drums and backing vocals, Inspired by the music of the british invasion: the Beatles, the Kinks, and the Rolling Stones, and seventies punk: The Ramones, Iggy Pop, and the Clash, along with the new wave sounds of the Talking Heads, and the Cars. Amish Love Child's debut album; the self-titled "Amish Love Child," contains such gems as the hopeful and optimistic "Things," the rocking "Green Light," as well as other fan favorites: "I don't wanna work," "PBR Vacation," "Cell Phone, and "Paycheck to Paycheck." Produced with tender loving care by Jeff Davis, and including a 12 page booklet with artwork and photography by Troy Krusenstjerna, the cd is destined to be an instant sort outic. And with a name like Amish Love Child, your curiosity will be aroused...
