Double Disc Urban underground music from coast to coast. best original rap artists to date. next hottest producers to rock yo body body. 29 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: big p astonishes the world with this epic release of underground talent, yet with enough tenacity to go head to head with these watered down musicians on the radio. the ferocious beats put down by black rhino, dj slugs, juss one, antuan robinson just to name a few, will capture your eardrums while the savvy, slick, spirited flows by artists from coast to coast will lyrically pimp slap you, (no offense). as one reviewer stated, "it's like a rollercoaster ride", simply put "outstanding"! with big p closing the gap between underground and commercial music, not just rap, hopefully the immense talent will get their due respect. I must clearly and honestly say this is the best damn unsigned talent on one compilation i've witnessed in my lifetime... you be the judge! more coming soon
