Details: Born in Colorado, grew up in Detroit. Been fascinated with music since around the age of 5, playing the piano in my late grand fathers saloon for the alchies. Later, started playing instruments in school, such as snare drum and tenor sax. Started DJ'in in 98', spinnin at various bars, clubs, and parties throughout the Detroit area and later landing a weekly spot at a club named Carbon in Hamtramck, MI. Quit there to move up to Traverse City in early 2002, due to some life problems. Shortly after the move, gave up drinking and needed somethin to fill my time. What better way than to start producing my own beats? Devoted my time and soul into putting an album together, I'm proud to say this is the outcome. Support the Underground Kulture.
