A testimony in song of life's journey into discovering God's call 10 MP3 Songs GOSPEL: Contemporary Gospel, EASY LISTENING: Love Songs Details: As a young boy I dreamed, just like any boy of playing pro basketball or being on a stage in front of 10,000 screaming fans singing my heart out. As I shot my last basketball in high school I let go of that dream and began a quest for the screaming fans and the life of a rock musician. With the ability to memorize notes and play by ear I thought I had it made. There was nothing I couldn't play or sing. But the nights became long and the road was hard and I began to hate playing and singing. Never being happy at the end of the night , I slowly gave up the dream. I felt something missing in my life. I married a wonderful lady and began a family. I began a quest for business and dreamed of success. But success is not easy, and no matter how hard you work there are no guarantees. As I began to lose control of everything in my life I cried out to God for help. "If you will change and follow me I will make your life worthwhile." After 10 years of never playing a note He has given me back the boyhood dream of music. But I now sing for an audience of One! I hope everyone can enjoy these songs that God has given me through my journey of knowing Him and I hope that you will let God use you too. Romans 10:13 For whosoever shall call upon the name of the Lord shall be saved. Join with me, make the Change. Eddie Barry All songs were written, arranged, and performed by Eddie, then recorded in his home studio, which makes it all the more unbelievable. God is truly using him in a mighty way thru his gifts and talents that only He can explain. Maybe not the best mix or the best recording in some corners but it is truly the best Eddie gives to God the Father to share with others. Enjoy!
