

Mp3 Effusion - Mystery

[DOWNLOAD HERE](#)

EFFUSION powered by melodic strings, moody guitar phrases, pulsating drums and harmonious vocals that blend to capture a moody atmosphere. A description of the sound could be put in these words: Dido dates Radiohead, cheats with ColdPlay, falls in love wi 13 MP3 Songs ROCK: Modern Rock, POP: with Electronic Production Details: Music Connection Magazine, January 2002 The third disc of international pop from this L.A.-area synth-and-guitar duo... entice the American ear. The talented EFFUSION conjure evocative moods, melodies and beats... penetrating the mainstream American market. A brief EFFUSION history Effusion's unique sound is comprised of a mixture of synthesized sounds, rock guitar, pulsating beats, and harmonious vocals that blend to capture a melodic and moody atmosphere. Effusion was conceived in late 1996 and "Mystery" is the third endeavor. Unlike the other two previous albums, the latest project is not instrumental but rather lyrically driven.
