

## Mp3 Felm - No, No, No!

[DOWNLOAD HERE](#)

19 melodic, sincere, expressive and groovy short pieces for all moods: the gap between Rock and Ambient is filled... 18 MP3 Songs ELECTRONIC: Pop Crossover, ROCK: Instrumental Rock Details: Composed between 1992 and 1996, these 19 pieces were finally mastered in 1996. Spontaneous, sensitive, these short pieces carry a lot of emotions, despite their obvious electronic feel. This album was used by the European Space Agency to add music to some of their most stunning images of satellites, earth observation missions, etc... No words on this CD, just pure instrumental music coming directly from the composer's soul to you through his home studio located in the heart of the beautiful Vexin region west of Paris. Vintage synth sounds, old fashioned drum machine adds to the nostalgia that these tunes will bring to you. Sit back, and let your mind wander.
