Acoustic, symphonic, dramatic, rich funky rock 10 MP3 Songs POP: Today's Top 40, ROCK: Acoustic  
Details: Griffin is a solo singer/songwriter. Much like current singer/songwriters Griffin incorporates acoustic guitars, soaring melodies, and emotional performances. Unlike other current soloist he is not restricted to those generalizations. Some of the music on his new release Not Of This World has a symphonic sound...with strings, timpani, and the like. His lyrics are relevant and written to meet you right where you are in life. And his powerful tenor vocal has the punch to drive them into your heart.
