Easy listening, adult-oriented pop jazz that will make you feel happy, bittersweet, then happy again. Influences include Jimmy Webb, Chris Rea, Michael Franks, Eric Clapton, Jimmy Buffett. 11 MP3 Songs JAZZ: Jazz Vocals, EASY LISTENING: Soft Rock Details: BellaMar. Hi everybody. This is my first solo album containing songs about, and inspired by, the sea. I have always loved the ocean and have had the good fortune to swim in many of them. The call of the waves is deep in our human psyche, but often forgotten except at vacation time. I hope this music allows you to feel it all year long. Thanks for listening!

Jack _____ Biography: Jack Hoban (Singer, Songwriter, Electric, Acoustic, Slide Guitar) is a New Jersey based musician who has played the Shore circuit and New York City Clubs since the early 90's. He is know for his unique sound - both vocally on the guitar. He writes a wide range of music, from stirring ballads to the funky, bluesy music of his band, Rogues on the run. The Rogues have opened for BB King and have 2 CDs out with a new one on the way. Previously, Jack was co-founder, with Gene McCormick, of "Jersey Blue" (Bernard Purdie on drums). Before that he was a member of Philadelphia-based "Windfall," who opened for KISS. Thanks to these great musicians: Randy Ledet - Keyboards Ed Stanojev - Vocals, Guitar Mario Cicerello - Keyboards Wayne Gronberg - Bass Wendy Reizer - Vocals Tommy La Bella - Saxophone Jason Furman - Drums Jason Rosner - Bass
