DOWNLOAD HERE

A psychedelic, modern blues, rock and roll record 11 MP3 Songs ROCK: Psychedelic, BLUES: Electric Blues Details: Upon a Planet In a bright palace sat the king and queen in a shining emerald throne the king was busy sending electric letters throught the night when he asked the queen to open the treasure chest swiftly her long white fingers plucked a sapphire bowl filled with mysterious liquid now to those creatures they found most wonderful they blew a peculiar dew into their dreams three jewels prepared for them by invisible hands. Tobe tobe tobe woke Henry as he hammered oranges for his fast break here a little smoke for his pet lobster waggle waggle he was composing 'Cripple the Devils Soc-Hop' as he abandoned his lemmings of hady and put them in a barrel labelled-dim of melon The balloon had come down to earth and out hoped little kled he a lantern be 'where hop do be my child?'asked Henry 'to the loop of all colours, 'replied Kled 'no time clocks, no calendars, no borders and no fences lve been a crown, ive been a diamond ladder lve seen the bowrain of Alish lve had candy with the sould parrots' he was jumping up and down 'theres a pimple puddle flooding this land but i have a new song, the loop antenna is Take you Higher!' From a pink trunk spang Lawnador ravishingly beautiful she turned toy soldiers into a chime parade she plucked a rose from her heart 'you harp a name like a precious stone my truly struddlebrow Mythlond pixie knee,' replied Henry, 'I want to comb your yellow hair.' Henry held out his thumb so on they carried three feathers of ilk in a hatful of swallow Raggle Taggle.....
