

Mp3 Lisa Hindmarsh - Lost In A Summer Night

[DOWNLOAD HERE](#)

An elegant and warm collection of jazz vocals with a strong emphasis on the lyrics, featuring both well-known and little-known Great American Songbook standards. 12 MP3 Songs JAZZ: Jazz Vocals, EASY LISTENING: Crooners/Vocals Details: Following the tremendous audience and critical acclaim for her debut solo recording, "Now I Know", Lisa Hindmarsh continues her exploration of lesser-known songs combined with well-loved Great American Songbook standards in "Lost in a Summer Night". Lisa is widely regarded as a peerless interpreter of lyrics and a singer who manages to be deeply emotional and moving, and yet very subtle. No "jazz singer" mannerisms or affectations here, just pure honest emotion and flawless musicianship. Lisa's skill and artistry are an unbeatable combination, and she has surrounded herself on this recording with the some of the finest jazz musicians in the business. Together they make "Lost in a Summer Night" a must-have recording. Highly recommended!!!!!!
