Funked out hip hop with live instruments, tight horn melodies and meticulously crafted lyrics on top of soul-inspired hip hop grooves. 15 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, JAZZ: Acid Jazz

Details: Beat Camp Tactics brings all Macgregor's elements to the table. Ranging from soul-jazz to straight hip hop, the songs reflect the band's wide range of influences. Live instrumentation gives the music an organic feel that is lacking in modern hip hop. The rhythm section provides funkcd out head-nodding beats while the soul-drenched horn lines fill out the sound, showcasing the band's writing ability. Lead vocalist Wax comes fully-equipped, spitting meticulously crafted lyrics that amaze listeners in their complexity, content, and cleverness. He also amazes audiences by his ability to play complex chord progressions on the guitar while rapping at the same time. Other members of the group occasionally step up to the mic as well. The lyrical content in Beat Camp Tactics is extremely diverse, ranging from battle raps to political commentary to stories of romantic encounters. MacGregor is: Wax: guitar, lead vocals Herbal T: bass, vocals Chris Frazer: drums The Eugenic: alto sax, vocals Mike Gutierrez: tenor sax Brian Hint: trumpet, flute Press Quotes: "Any music fan bored by the cookie-cutter pop bands permeating today's music scene will definitely find MacGregor's soulful rhythms, original arrangements, and crafty lyrics a most welcomed change." --The Diamondack "Seeing MacGregor made me feel good about the future of live music." --Jambase.com "A powerful funk juggernaut that embraces the roots of hip hop. They left me wanting to hear more." --Revolving Door Magazine
