Originally from Delta, Utah, Mallory has arrived on the LA music scene and is quickly picking up steam. A classically trained pianist since the age of 6, and a self taught guitarist of 7 years, Mallory literally has music in her blood. An actress since age 4, and a songwriter since age 9, this 'Modern Renaissance Girl' has always known she has wanted to perform for a living. "Music is the most universal yet personal way to connect people", she muses, "I only hope that I can be an artist with whom people feel connection with each other. I want to inspire people to be the best that they can be." Her debut EP 'Honor Me' is now available and shows a wide range of emotion, grit, and musicality. From the poppy, upbeat "Beginning of Goodbye" to the dark, haunting, grungy "How's the weather" Mallory's songs will take your senses on a roller-coaster ride. Fan favorites like "Stargazing" and "Honor Me" are already popping up around indie radio stations in the western united states, which leaves no question that Mallory Trunnell will go far.
