

Mp3 Pat Chen - Somos El Mar

[DOWNLOAD HERE](#)

Eclectic Acoustic Folk 17 MP3 Songs FOLK: Gentle, COUNTRY: Country Folk Details: Pat Chen Bill Davis, sometimes a bunch of other musicians* are Somos el Mar. The group's name which means "We are the Sea" in Spanish, comes from a folk song: Somos el Barco, and just as "The Sea we are sailing on touches many lands" so the music of this group touches many themes. Traditional, Celtic, Caribbean, Original, Folk, Country, ... whatever suits the occasion. Their varied repertoire includes instrumentals, ballads, fun songs, originals, traditional tunes more. Pat plays the fiddle Bill plays guitar (6 12). Both Pat Bill sing, write songs and have many years of experience performing alone and together. They are regularly seen at the Folk Club of Reston/Herndon, when they are not on the road singing Their CD appropriately called "Somos el Mar" with 17 selections made with the help of many friends over a three year period was nominated for a WAMMY (Washington Area Music Association Award) in the Folk Traditional and Debut recording categories. Pat's life revolves around her music and her five children and their education. Bill has been a pilot flight instructor, he is also a balloon pilot (May 2000 he Pat flew the balloon over the Bay Bridge before the annual bridge walk.). In the studio they are nearing completion of a 2nd album which will feature some of the favorite songs from their performances. * Pat Chen Vocals Fiddle Bill Davis Vocals Guitar Lynn Romano Vocals Guitar (Louisiana Wedding Bells) T.M.
