

## Mp3 Peter Welle - The Silent Era

[DOWNLOAD HERE](#)

Old friends hunkered down with acoustic guitars in a small studio, trading guitar lines and tight harmonies. 11 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: After spending four years mining for pop nuggets with acoustic duo Welmore Mile, Peter Welle has emerged as a solo artist. In celebration, Peter has grown a formidable beard and intends to become the Rasputin of the Minneapolis folk-pop scene. With a beat-up duffel bag of acoustic tunes both resonant and immediate, Peter set out to make THE SILENT ERA, his solo debut, an album that above all else sounded real. Nothing Pro-Tooled about it. The sound of 3 or 4 friends and musicians huddled around a small studio together, layering guitar lines and tight harmonies - music both spontaneous and intimate. Set THE SILENT ERA next to CHOICES COLLIDE, Welmore Mile's full-length album, and GOOD TIMES PUMPKIN PIE, their EP of goofy pop ditties, and you have a sturdy, diverse catalogue. A closer look reveals that Peter's work has shown a consistent love for melody, songcraft, and beauty. His music is layered and personal, all the while remaining accessible. And did we mention his beard?
