Singer/songwriter doing alternative progressive pop rock. 12 MP3 Songs POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock Show all album songs: All Over Me Songs Details: Phil McCammon has been writing and recording using his own brand of songwriting for the best part of ten years now. A graduate of Berklee College of Music in Boston, Phil McCammon has performed pretty much around the globe. With live appearances in Scotland, USA, India and Switzerland, Phil's career has been slowly but surely gaining momentum. Taking his influences from artist such as Bowie, Dave Matthews, World Party and Peter Gabriel, Phil moulds mellow nostalgic "mood rock" with fast gripping catchy "seven rock" - Phil's own brand of rhythmic experimentation combined with straight forward Rock. Often merging modern instruments with the traditional, Phil's sound has recently been straying around various programming sessions with computers and other electronic gizmos resulting in tracks like "Makes You Think" and "Real Time Slide", both of which have received positive feedback in Central Europe and the USA. Such classics as "Breaking Waves", "Butterfly Eyes" and "These are ways" have received much acclaim around the Boston New York Music scene. Recently "Cry Out Loud" peaked at number 3 on Broadjam Progressive Rock Top 10 (Nov 2004) charts and "Beyond Infinity" reached number 10 in the Electronica Top 10 Broadjam Charts (April 2005). Phil performs either solo, brandishing his one man band consisting of him and unseen electronic gizmos running in the background or with his Band SPAT which performs around Switzerland and headlined at the Cully Jazz Festival (Festival OFF - a sub event of the Jazz Festival for Rock/Pop Bands) in April 2004. Watch this space for more info on this up-and-coming nomad with a treasure trove of songs waiting to be discovered... In 2005 Phil was "Runner Up" in the "We Are Listening" songwriting competition for his truly cheeky song "Beyond Infinity". Phil was also mentioned in the "wow factor" forum (online) for his lyrics in "Breaking Waves". Currently Phil writes, rehearses,

performs in Zurich, Switzerland where he pays his bills by transcribing sheet music into Braille for the blind. In November 2006 Phil signed a production deal with Producer "Filippo Gaetani" and the CD is due out in Nov/December 2007.
