Contemporary urban R&B with some rap. 18 MP3 Songs URBAN/R&B: Contemporary urban, HIP HOP/RAP: Rap Details: Sonyaa is one of the most talented vocalists that i've ever had the pleasure of meeting and producing. Her real life story of pain and sorrow gives a richness and unmistakable flavor to her song delivery and helps to give each note an unmistakable flavor that only she can deliver in her music. She will surely go down in music as one of the most talented vocalists in history. Expect hear more great music from her in the future. With so many "HIT SELECTIONS" to chose from Sonyaa has chosen the song "WHY" recorded with her fellow label recording artist Ghetto Vocals as her free selection to give to you...it is a stirring tribute to her sister who died from AIDS and she hopes that her pain will help somone to avoid the sorrows that she has had to experience in losing a loved one as dear to her as her sister... We at Millennial Reign Entertainment appreciate your time and listening ear and we feel that you are why we do it so we'll keep pumping out the hits as long as you keep listening... Sincerely Sonyaa and Big Milt C.E.O. Millennial Reign EntertainmentGroupInc.
