

Mp3 The Cries Of... - Just Another Nobody

[DOWNLOAD HERE](#)

Experimental Acoustic 7 MP3 Songs FOLK: Modern Folk, NEW AGE: Environmental Details: Panama City's Patrick Douglas makes music under the name The Cries Of... and in early 2007 saw the release of his debut album, Just Another Nobody. With the albums hypnotically melodic sound, Douglas invites these songs to bring peace and rest to those who lend a listening ear. As a native to north Florida, Douglas grew up listening to artists like, Pink Floyd, The Doors and Led Zeppelin. Although he always found classic rock both intriguing and comforting, he really didn't begin exploring these roots until mid 2006. Douglas began blending these child hood roots with his love for ambiance to form the uniquely peaceful sound. A sound that he considers incomplete.
