Feel good music 14 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: The Mood Doctors are a Long Island based rap group keeping up the New York tradition of innovative music. Their upbeat sound is like nothing else out there, a breath of fresh air from the same-ole, same-ole. The MDs diverse sound has been influenced by a wide variety of artists, including De la Soul, Dilla, A Tribe Called Quest, Jungle Brothers, Large Professor, Sade, Bob Marley, Portishead, Deee-Lite, Ultramagnetic, Ambersunshower, Beatnuts, Black Moon, Beatminerz, Nas Jay Z. The MDs first album, General Medicine, was released in 2002. This sophomore project shows the groups progression lyrically and in production. The album features the extended Mood Docs family as well as collaborations with Pos from Grammy Award-winning De la Soul, cuts by DJ Evil Dee, a track by the Beatminerz, and appearances from Shorty No Mas and MarleM. All tracks are available for digital download from all major downloading sites. Feedback is appreciated via email or myspace (see below).
