Original Rock; Upbeat melodic music full of harmonies. 10 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: The Wag Bio: An upbeat four piece, the Wag features vocal harmonies at the forefront of their sound. Their unique style varies from blues to pop to rock. With three alternating lead singers there is a different sound to every song. Their energetic rhythm section serves as a springboard for lively guitar and keyboard arrangements. Based in Middletown, New Jersey, the Wag has been together for over seven years. Their commitment to music is evident in their live performance- onstage, they are powerful, exciting, and fun. The Wag made a few CDs on their own, and recently recorded another at a local studio. Interest in their music has led to airplay on FM 106.3, WMCX FM, 90.5 The Night. The goal of the Wag is to play everywhere they can and to continue to make new and exciting music.
