AVALON - Erin has known from the time she was fifteen that she would die at the hands of a madman. So why risk falling in love? She does it anyway, against her will, but she refuses to let Seth know how much he means to her. Her time is running out, and she wants to save him the pain. THE EMPATH'S LOVER - When Jordan arrives at the airport earlier than expected, she can't reach her fiancé. She calls his brother-his twin-Angelo, to come and pick her up. Arriving home, they walk in on her fiancé and her best friend in bed together. Angelo spirits her away and gives her the space she needs to think. Then he gives her every fantasy she's ever had. There's nothing like having a lover who knows exactly what you need-just by touching you. MYTHE: SATYR - Welcome to the world of Mythe, where mortals stumble and fall through the Gate into a world of elves, vampires, faeries...exotic lovers, noble heroes, and deadly magick. Pepper St. John is just your average, run-of-the-mill witch who happened to fall through the Gate-straight into the arms of a man unlike any she has ever dreamed about.
