Belle can finally take a vacation. Her father Artemis is happily married again, and more than capable of managing the family business without her for a few weeks. Alex may be Alpha of his Pack, but he lost the woman he expected to marry to another werewolf. One whose werewolf father had mated a real wolf, then taught their cubs to assume human form. Abomination! When Belle finds Alex in the woods, bleeding from a gunshot wound, she takes him to her cabin-and her bed-and nurses him back to health. But what will Alex do when he discovers the woman he's falling in love with is a sister to the man he hates most, a woman who had a wolf for a mother?
