Boldly go to times where no one has gone before. While transporting a contraband Russian time machine and developmental weaponry, Private Everett Dumphee finds himself cast into new settings when the device suddenly activates. What follows are fantastic high-tech experiences that might be called the ultimate off-road adventure. For the determined Dumphee - narrowly escaping with his life and three beautiful women - it is not necessarily a matter of will he make his destination, but when. These four vivid characters trek through this fun and fast-moving journey like there's no tomorrow. Wherever that may be. A wild, high-tech ride through time. Read it to have a rollicking good time.
