Display number of competing pages for any keyword in Google, Yahoo & MSN search engines. Churns out a huge list of profitable keywords you can use for ALL your internet marketing efforts check Export your results to an excel sheet for deeper analysis. Pocket Tool #2 - Blog Warrior The second tool you're going to get today is something every blogger needs! If you have an type of blog, then you probably know by now that leaving comments (and your link) on other blogs is a sure-fire way of getting tons of traffic. The problem is trying to figure out exactly which blogs are worth your time. Generally speaking, only 20 of the blogs you regularly comment on contribute to more than 80 of your traffic.. blog warrior What This Amazing Software Does: Identifies Wordpress blogs with the 'nofollow' tag in the comments field in ANY niche you choose Saves you time and effort from searching for blogs manually to leave comments on and building backlinks Shows you the Page Rank of each of the individual blog posts itself and home page of the blogs Displays the Alexa ranking of each blog (so you know what's the amount of traffic the blog receives) Tells you if you have left a comment previously on the blog so you can track your link building efforts with much ease. Allows you to save your findings and results for more effective tracking/analysis in the future. Pocket Tool #3 - Affiliate Warrior Stop flaunting your "newbie" status if you're trying to make money from promoting affiliate products - cover up your affiliate links! Affiliate Warrior is a great tool you can use to create "cloaked" pages that hide the actual URL of the website, which loading and embedding your affiliate cookie in the background! affiliate warrior What This Amazing Software Does: Protect your affiliate links and keep your hard earned commissions from being stolen from the nasty affiliate thieves Redirect your cloaked links to any site of your choice so that others won't even notice it's an affiliate link - and you'll still be credited for your commissions! Bypass merchants squeeze pages and send your prospects directly to their sales pages or even your order page, which eliminates a step and increases your chances of making a sale Have the luxury of linking to even your

own sale pages that you've created or other marketing materials in the event that your merchants' sales pages are of inferior quality You can create either a simple cloak or an advanced cloak - skyrocket your affiliate commissions and elevate yourself to super affiliates status! Man this is a great tool! I've always been trying to create professional "cloaked" affiliate links and almost every other software out there costs an arm and leg. With Affiliate Warrior I can do exactly what all the other top affiliates are doing, and I've already seen my commissions double in the past week! Suresh Menon Bangalore, India Freaking awesome - that's all I can say. I like the fact that this is so simple to use, even a noob like me can make it work :) Roger Hampton "Mr Weight Loss" Pocket Tool #4 - Forum Warrior Ok maybe you're not that into forum marketing - but that's probably because doing it without a proper tool will drive you nuts. Forum Warrior is a neat tool that helps you save time and keep organized while switching between forums and building a huge amount of traffic to your website. forum warrior What This Amazing Software Does: Stores all your forums login details so you'll NEVER have to dig your brains and struggle to remember all of them Allows you to store preset forum postings and allows you to paste them easily onto each individual forum with just a few clicks of the mouse Saves a list of forums that are related to your niche so you can visit these forums with much convenience.
