The Retreat' by Portia Da Costa Ben Chambers is the perfect boyfriend, the perfect lover, the perfect man. Sarah adores him, but she knows that despite the deliciousness of their lovemaking, their shared interests, and the fun they have together, there's a certain special something missing in their relationship. And then, arriving for a hedonistic weekend of luxury at an English country house hotel, something happens that changes everything between them. A momentary, inconsequential pat on the bottom opens the door to a breathtaking world of daring and transgressive sexual pleasure...and forges a bond that's both profoundly physical and a melding of their souls. 'S&M 101' by Sierra Cartwright Julia Landon is not just bored, but out of her skull, mind-numbingly, someone-please-save-her bored. And she thinks that Dom Trevor Kendall should save her. When the attractive woman tells him she wants a spanking, Trevor looks at her in a whole new light. How had he missed her submissive tendencies? Trevor is more than serious about a D/s, to him, it's not a game. And he takes the curious sub to the limits of her endurance. For Julia, nothing will ever be the same now that S&M 101 is in session. 'Getaway Girl' by Lisabet Sarai All that Peg wants is a break, a bit of adventure, a relief from her mundane existence in the buccolic but boring Yorkshire hamlet of Kirkby Malzeard. When dashing, sophisticated journalist Lionel Hayes saunters into the pub where she's tending bar, Peg suspects that he was just the sort of man to fulfill her fantasies of escape. The seductive Lionel, however, is not what he seems. Before she knows it, Peg is a hostage, roped and gagged, speeding away from the scene of a daring crime. Lionel is armed and dangerous, but somehow Peg still wants him-regardless of the consequences. 'All Roads Lead to Ripon' by Barbara Huffert Sometimes it pays to revisit the past. Jane runs from a smothering ex who won't take no for an answer right into the last thing she's looking for-a mysterious stranger who appears wherever she is, watching her. Simon knows they're meant for each other the first time he sees her. Why she can't just do as he says and accept that is almost beyond him. Can some help from an interested observer be what they need to have a forever together? 'Kit and Mouse' by Dakota Rebel Kit is a vampire who had been planning on a quiet evening out at the local pub. But that plan becomes null when Mouse walks in. As soon as Kit meets him she knows that this quiet, shy man is not really what he seems. She instantly

knows that she has to have him. Mouse plays into her hands perfectly, agreeing to accompany her home. But Kit is in for quite a surprise when the nervous veneer fades and this mortal becomes the demanding and dominating man Kit never realised she had been needing. 'Bound by Love' by Cassidy Ryan For two years Rhys has had a casual D/s relationship with Draven. It was never supposed to be anything more than an arrangement; a way for Rhys to occasionally indulge his submissive side. Draven made it very clear at the outset that he was not looking for forever, and Rhys was happy to accept this. But somewhere along the line he fell in love. Now he is forced to keep his real feelings for Draven a secret. Will the truth drive Draven away?
