Carnal Healing Virginia Reede Leonore has always known she's a witch-the direct descendent of the legendary Witch of Caernathen, whose power flowed from the sensual pleasures of sex. After years of searching, Leonore has found six women, each of whom has one of the magical gifts of their mutual ancestress. The circle of seven now prepares to perform the ritual that will restore all of them to the awesome power that is their birthright. Dr. Jeff Carson thinks Leonore is only interested in a one-night stand. But he soon learns the mysterious woman is impossible to forget, and not only for the astonishing-and puzzling-sensations that he experiences during their lovemaking. For once, Leonore is having a hard time leaving a lover behind once she's used him to restore her power. Jeff and Leonore barely have time to explore their new connection when an ancient enemy appears. The Dra'fod'f'ir, an order of sorcerers who will do anything to stop the ritual from happening, threaten not only Jeff and Leonore's love, but their very lives.
