You've purchased this product with Master Resell Rights. You are free to sell it and keep 100 of the profits. Highly Targeted Traffic -- Free! Inside the "Embarrassingly Simple Way", you'll discover exactly what I did, step-by-step, nothing is left out. Just peek over my shoulder and start grabbing your own top positions ... without spending a dime on pay-per-clicks or search engine optimization. It's simple and takes just 10 minutes to complete. How Much? It's worth at least the \$299 it costs to get listed in Yahoo! But order now, and this "Embarrassingly Simple Way" is yours for only \$17.00. Think about it: Every day people search the popular affiliate programs. And when they do, your money making affiliate link is right there at the top of the list (sometimes, ahead of the owner's own page!). Just 2 to 3 extra commissions a month, and my new ebook is the best investment you've made all year. A Completely Honest Disclaimer: There's no trick here. This is a legitimate technique that ethically leverages current search engine rules. But, I have no idea how long this will work. As with any new technique, there's usually a life span of anywhere between 3 to 9 months. But with all the great bonuses I'm giving you, you should make 10 times the price back in no time at all. Order Now and Get These Bonuses Free Resell Rights! Just one

sale and this report pays for itself. And you keep 100 of every sale you make forever! Included is this entire web site and images. My only restrictions are: You DO NOT change anything in the report You DO NOT sell customized versions of the report You DO NOT use SPAM, UCE or any other illegal or unethical means of promotion. Other than that, you may feel free to do anything you'd like with this report! (within reason of course) I reserve the right to pull this bonus at any time. If you wait, you'll be disappointed. Order and claim your resell rights now. Free Mini Site Brander! Just type in your Clickbank information along with your name, and the web site and thank you page are automatically generated. No HTML editing, just type and save to your hard drive, and upload to your server. You're ready to sell! Free Lifetime Updates! You'll receive a free subscription to an insider newsletter so I can alert you to new ideas for improving your affiliate commissions. Tags: plr, way
