

# Giovanni Sgambati: Präludium Und Fuge Opus 6 - Piano Solo

[DOWNLOAD HERE](#)

Präludium und Fuge is a great work, which reflects Sgambati's talent both as a pianist and composer. Both sections are full of passion, each with their own difficulties: the prelude with the challenge of maintaining a constant, driving rhythmic idea throughout, and the fugue with its complex three part writing. The result is a work that is engaging and powerful, which will both delight and challenge pianists.
