

Informer 001: The Myth Of Pavlik Morozov - Yuri Druzhnikov

[DOWNLOAD HERE](#)

During the period when Russia was under Stalin, a young boy named Pavlik Morozov informed the OGPU (now called the KGB) that his father was an enemy of the regime. As a result, Pavlik's father was arrested and disappeared in a Soviet concentration camp. Enemies of the party later killed the boy, whereupon people proclaimed him a hero. Informer 001 is the first independent study of the Morozov affair. In book after book, author Druzhnikov discovered inconsistencies on every fact relating to Morozov. As Druzhnikov pieced together the story about Morozov's life, death, and legacy, it became clear that the campaign to keep Morozov a hero was centrally directed. Informer hero number 001 remained a fearful reminder to all; to those who inform, and those who become the victims of denunciations.
