Its as if Eminem Bone Thugs In Harmony teamed up and made a cd its crazy hard and fast every step of the way well worth a listen. 20 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Southern Style Details: ButtaBean was born in the city of Waco, Texas. Abandoned by his mother at 2 years old, Buttabeen was raised by his father and step mother in the down and outs of the trailer park life. Constantly being reminded at how no one ever wanted him, Buttabeen was beaten continuously by his father, most of the time for no reason at all. Finally kicked out of the trailer at 15 years old, Buttabeen jumped around from projects to projects with any "friend" that would take him. Being the only white boy in the projects, taught Buttabeen an even harder lesson in life. Eventually, Buttabeen ended up living in his car, never knowing where his next meal was coming from. Hustling, theiving, and other crimes with which should never be spoken of, his music is an expression of that life style. Buttabeans music, has the lyrical genius of Eminem, with hard ass beats, but yet the melodic tone of Z-ro. Real life thoughts of whats in the mind of a psycho.
