Traditional Country 14 MP3 Songs COUNTRY: Traditional Country Details: Many thanks and a whole bunch of love to my family: Mike, Michael, Mom, Granny, Aunt Julia and Uncle Charles. There aren't enough words to express how much I appreciate you all for what you've given me. And to my dad who lived his life through me and my music. I only wish he could have seen all these things coming true that we all worked so hard for. This one's for you "Pops," in loving memory - Vernon (Jimmy) Dale 1931-1992. Thanks to all my friends and fans for always believing and supporting me in my music. To the guys in my band "Shilo," thanks for hanging in there with me. To the session musicians; you were a blast to work with. And to Ronnie Margie don't "blow grits." To my record label, Broadland International Records, and my producer, Gary Buck. Thanks for believing in me and giving me a chance. Special thanks to Roy "Jack" Ownbey and all the songwriters for without all of them, this album would not have been possible. Thanks to you all, Cathy Dale
