

Mp3 Colleen Kattau - Inhabited Woman

[DOWNLOAD HERE](#)

Colleen's new release is playful, poignant, and earthy- with creative vocals, lyrics and instrumentation, it offers a lot for the listener. 16 MP3 Songs FOLK: Modern Folk, FOLK: Political Details: Colleen is a unique songwriter and vocalist. Her latest release, Inhabited Woman offers a brilliant array of material- that is thought-provoking, moving, political and fun! The songs of Inhabited Woman give new meaning to the word original. This CD is a labor of love and commitment to social and environmental changes, and offers a sonic imaginative vision of what the world could be. Colleens impressive vocal work leaves the listener with a lot of variety from country playful tracks featuring the skills of musicians like acclaimed guitar and mandolin man, John Rossbach to soulful compositions underscored by the beauty and brilliance of cellist Hank Roberts, to solo cuts that reveal Colleens impressive vocal range and imagination, this album is one that will be played over and over- and the listener will find more and more of its richness with each listen. Bonus tracks include a recording of the late Jolie Rickmans powerful anthem Woman Nation.
