What ya Luv To Hear. 14 MP3 Songs HIP-HOP/RAP: Rap, URBAN/R&B: R&B Rap mix Details:

Seareality is a provocative debut album by Seattles leading hip hop artist, Dub B on SeaReal Records. Seattles hip urban culture is the inspiration igniting much of Dub Bs social commentary evident on his single release The World Keeps Changing from Seareality. Written just prior to the Iraqi War, The World Keeps Changing parallels young people dying in the streets to young people fighting a war on terrorism and distrust in world leadership. Fans and newcomers to hip hop will appreciate the clean, clear lyrics; the charisma and conviction Dub B brings to the genre which is more refined, rhythmic and heartfelt than similar genres from the past.
