If you've seen Jme's show or listened to her music, you will agree that Jme is one artist to remember! Jme has a vision to bring more positive uplifting--God inspired music into Christian and secular airwaves and into people's everyday lives through the spirit of truth! Her voice and ministry is anointed beyond her years and she is sure to become a household favorite! Jme's debut CD Lay It Down was released in 2005, and was produced by highly acclaimed artist/producer John Katina of The Katinas, Kene Ghost Bell (Stacie Orrico, Out of Eden, Grits, etc), David Rogers (Baby Bash, Nino Brown, Remnant), and the late Jerome Jefferson. Writers on the album include Jme Medina, John Katina, James Katina, Sharee Katina, Kene Bell, and Chris Faulk (Jaci Velasquez, The Katinas, Amy Grant..). Jme is currently working on her first worship album, and her second pop/r&b/alternative album which is due out in late 2007. Music from Lay It Down has been heard in venues such as Thomas and Mack Center, Cox Pavillion, Station Casinos, military bases, Carnival Cruise lines, Roland Powell convention Ctr., numerous church congregations, youth and college groups, high schools, the Las Vegas Strip, and a number of outside special events and major festivals. Jme has also been among the few chosen artists to share her ministry on the Christian Cruise line with Carnival along with other nationally established artists such as: The Katinas, Natalie Grant, Zoe girl, George Rowe, Kristy Starling, Tammy Trent, Russ Lee, Kara Williamson. Although Jme is a newer artist to emerge onto the scene, she has become the newly featured released artist on SOS Christian Radio network (which serves over 12 different states including her hometown of Las Vegas, NV), certain secular stations, and overseas her music can be heard in countries such as Australia, New Zealand and Canada.

She has also recently been added to playlists in NY, AL, and MD. The album Lay It Down has been a favorite among youth, college age and adults! Jme has also recently been featured as LATIN ARTIST SPOTLIGHT for Christian Activities Magazine (Nashville, TN) for May 2006 and has been nominated for best new Positive/Christian Artist for the LAS VEGAS 2006 Awards. Jme has also been recently chosen to record special songs for upcoming mainstream movie soundtracks, including the anticipated film "The Cigar Song." To give you an idea of Jmes hard work complemented by her rising status in the industry, she has opened for or performed with national artists such as those listed above, and the following: Paul Wright, Everyday Sunday, Chris Tomlin, Petra, Falling Up, Denise Clemente, 2-Five, Patty Cabrera, Ricki B, Prime Minister, SOP, Time Spent Burning, David Meece, Remnant, George Huff, Brock Gill, Starfield, Stephen Hurd, Kirk Franklin (w/Remnant), and Israel Houghton (w/Remnant), Ashanti, among many others! Besides Jme touring nationally solo, she has also toured nationally with Remnant which is managed by former NFL quarterback and newly ordained pastor Randall Cunningham. Touring is extremely important to Jme because of the personal contact she would not otherwise get among the people she ministers to. Jme's vision has much to do with her life experience, and desire to reach everyone around her. Due to the style of Jmes music, and the entertainment aspect to Jme's show, she is able to attract a widely diverse audience while crossing cultural barriers. Her ministry is especially effective for youth, teens, and women. She normally travels with her band and 2-4 hip hop dancers for a Full Concert; otherwise, Jme travels as arranged by the venue. If you would like Jme to come minister in your area, please contact us as soon as possible so we may schedule your event.
