True country, bluegrass/country, cajun, and gospel music that'll make you smile and make you cry. 12 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Folk Details: These are songs of from real life. They are based on true stories and life experiences. The songs are true country music in the styles of Lefty Frizzel, Vern Gosdin, George Strait, Alan Jackson, Porter Wagoner, George Jones and Ray Price. There's a cajun song that'll get you out of your seat; a gospel song that'll make you think; a recitation that'll bring tears to your eyes, and a true to life description of life in the Southern United States where folks ate fatback, biscuits, cornbread and beans that'll make you smile. A truck driving song also relates life on the road in Broken White Line. Another song, entitled The Letter, relates the feelings of a wife who has received a last letter from her recently killed husband, a soldier, who was fighting in a desert land and includes his last written words to her. Then there are true country music two steps, (shuffles), typical of George Jones, Ray Price, etc.. This cd does not get repetitious. It keeps your attention by changing tempos and subject with each song. The musicians used are the best of the best, musicians that regularly play the Grand Ol'Opry, Country Music Awards shows, and recordings with many of the top artists in the business. If you like Real Country Music you'll love this album.
