

## Mp3 Martha's Trouble - Still

[DOWNLOAD HERE](#)

Gives your ears what they deserve: real magic from real music captured alive and breathing by the new technology of SACD. It's fragile, not perfect. 13 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Details: Still was in the running for a possible Grammy Nomination for Best Contemporary Folk album of the year! The first thing you notice is the intimacy. Compared to other records you've heard, other voices you've encountered, this one is stripped bare. No fake reverb, no artificial vibrato. Jen is here. With you. Right now. Her voice will remind you of Norah Jones or Natalie Merchant or Eva Cassidy. But it won't. Because Jen is an original, someone you've never heard before. Listening to her is an experience. Then you hear Rob on the guitar. Followed by another guitar... That's Chris. Then a third guitar-Jerry. The music gets more and more complex, but the ideas stay simple. Then the air is shattered by Jen's djembe, the drum making your speakers ache-just a little bit. Still is anything but. It's passionate and heartfelt and honest and you'll never forget it.
