Modern Melodic Hard Rock; timeless music for the masses.. 11 MP3 Songs ROCK: Hard Rock, ROCK: Modern Rock Details: MIGHTY SIDESHOW is a MODERN HARD ROCK BAND with music that features thought provoking lyrics within impressive vocal melodies; great guitar riffs, and world class percussion. The band formed in 1998 as a cover band, but were soon able to concentrate on their original efforts by becoming a staple opening act for national rock acts that came through their home town of Chattanooga, TN. Mighty Sideshow has had the privilege of touring with bands like 3 Doors Down, Seether, Saliva, Non-Point, Ted Nugent, Tesla, Skid Row, RA, and Theory Of A Dead Man to name a very few. Mighty Sideshow has also enjoyed success on radio stations nation wide! DARE YOU TO THINK is the follow-up to Mighty Sideshow's independently released, PART OF SOMETHING, which yielded TWO radio hits. Mirror, and Part Of Something can still be found on radio station playlists today. 99 WAYS (to feel), Sideshow's first release from Dare You To Think, is already featured on the playlists of several radio stations in the Southeast and Mid-west
