funk grooves, jazz moods, true stories 12 MP3 Songs URBAN/R&B: Funk, JAZZ: Acid Jazz Details: Funky rhythms and horn lines inspired by James Brown and George Clinton Harmonic complexity reminiscent of Thelonius Monk and Steely Dan Lyrics that tell good stories from all sides of life, like Tom Waits and Crowded House Solid pop-song structure, where you feel the chorus coming and just have to sing along "Moe has brought together some of the funkier grooves found in the best of James Brown with the harmonic sophistication of Miles Davis and Thelonius Monk. Combine that with hip vocals and well crafted songs reminiscent of Steely Dan and you've got Moe's Kitchen, a very cool concept Dig it." - review by Raz Kennedy, vocal coach to Counting Crows
