'70's analog synth 11 MP3 Songs ELECTRONIC: Virtual Orchestra, ELECTRONIC: Ambient Details:

There's always the parts that came before. And a question as to the part they played. Here they are with no questions answered, or purpose fulfilled. It wasn't a bad time. It's all perception. And perception is always right. And always wrong. But let it never be said that even as the world has moved on - and we along with it - that it doesn't still get that way - from time to time . . .
