Jazz fans will love this recording, too, as Paul has gathered the talents of guitarist Peter Sprague, acoustic bassists Bob Magnusson and Kevin Axt, and truly tasteful drummers Duncan Moore, Jim Plank, and Joe Cataldo. "...just sat down and listened to every note and it's magnificent... it's such a joy to hear real beauty and real feeling on a CD. No one else could have done this. The singing and playing is obviously by a wonderful musician. And your backing group is the greatest! The Guitar is fabulous, and of course, Magnusson a genius. Each one of your group does a fantastic and tasteful job. They must have enjoyed these sessions immensely." - Russell Garcia
