Boston's progressive roots reggae music. 12 MP3 Songs WORLD: Reggae, ROCK: Ska Details: On April 1, 2006, Pressure Cooker drops it's fifth and most ambitious CD release entitled Futures History, live at Harpers Ferry in Allston, Massachusetts. Future's History contains twelve crucial unique tracks of Pressure Cooker music. The band has established itself as a live musical force in Boston for nearly a decade. Hard hitting rhythm, horn melodies and lyrics on an old-school reggae rocksteady flavor reminiscent late 60's early 70's Jamaican sound. This is the new classic American reggae music, thoughtfully written and powerfully delivered through a horn-infused, nine piece supergroup. Fronted by lead singer Craig Akira Fujita and backed by a core of talented Boston-area musicians, the band has thrilled audiences at clubs festivals spanning from New England to Chicago. Over the years, Pressure Cooker has played in support of top artists of reggae music including Burning Spear, Toots the Maytals, Prince Buster, Derrick Morgan, The Wailers, The Skatalites, Culture, Eek-A-Mouse, Julian Marley, Sister Carol Gregory Isaacs.
