

Mp3 Richard Wilson - Legacy 1981-1998

[DOWNLOAD HERE](#)

Classic British pop fused with introspective soul and funk. 20 MP3 Songs POP: Beatles-pop, JAZZ: Acid Jazz Details: Richard Wilson is a British musician and songwriter now based in Los Angeles. As Richard Wilson states: "The Beatles showed me what I wanted to aspire to. I came of age during the late 70's in London and Punk showed me how to get started." "Legacy 1981-98" is a retrospective look at the various bands ,vocalists and collaborators that Wilson worked with along the way. This album encompasses the diverse influences of post-Punk British New Wave , 1980's pop, acoustic soul, and even 1990's UK Acid Jazz. Never content to stay in one musical genre too long , "Legacy 1981-98" , is a good starting point to appreciate Richard Wilson's music. Please also check out more recent Richard Wilson releases: "The Amazing Pudding" and "Spirit In Your Soul".
