Dan should consider this download. Details: Soulful songs for people with soul.... Most of the band has

been around long enough to be influenced by everyone from Woody Guthrie and James Taylor to the

Rolling Stones. And then there's the Beatles, Chuck Berry and Elvis Presley and the list goes on and on.

These and other great artists of their youth remain a powerful influence. The amazing thing is what they

take from these influences...lush harmonies, intricate arrangements and award winning songwriting. Band

leader Bill Mulroneys singer songwriter career began in the 1970s at coffee houses and garage parties,

but it wasnt until after a musical hiatus of 20 some years when seeing an open mic poster in a local bar

that something clicked. Bills passion was reignited and almost immediately he began to realize a renewed

passion to write, and to rock. He has now formed the Second Wind Bandits, a seasoned group of

musicians including songwriter Bill Mulroney on guitar and vocals; Gary Garvin on bass; John Donovan

on lead guitar and keyboards; and Ron Goad on percussion. This latest CD A Gift Of Love includes 11

tracks spanning Roots Rock, Pop/rock, Jazz and Blues genres. This album contains a storyline of a man

finding himself, and sharing his his blessings. "Stockbridge Bound", the very first track, is about a very

special and spiritual place that is in fact, a land of milk and honey... Soulful songs for the soul is the best

way to describe the songs on this cd. For anyone who has gone through,or is going through,the pain of

the breakup of a long term relationship,this is an album you must hear...you'll find yourself listening to it

over and over....it will soothe your pain... Bill Mulroney was named Folk Artist of the Year 2006 by New

Artist Radio. The Washington City Paper writes about Bills Solo CD In addition to captivating originals, Bill

offered tasty Dylan and Beatles coversnot something many can pull off... and Music Monthly, described

Bills first album as ...courageous, demonstrating a love of music, of friends, of spouse, of children, of freedom, of country, of life itself. Bill's Songwriting Accolades: Billboard World Songwriting Contest NewSong Semi-Finalist Songwriters Association of Washington THE 2006 WAMMIES! Second Wind Bandits were nominated for 2006 Best Folk Contemporary Duo/Group by the Washington Area Music Association. Hey, we're a rock band now but we LOVE the attention. Thank you DC for the recognition! Bill Mulroneys last CD... "Second Wind" is "well-balanced, intimate, romantic and rocking at the right moments. Highly recommended." Bridge Guitar Review We remember a time long ago when rock music was a big tent in which powerful melodies and rhythms combined with equally powerful words about the human experience and the result was a meaningful synthesis that transcended mere entertainment. SWB is more than a band; we are a group on a mission. Our songs explore the journey of life as we have lived it...the lessons learned along the way and the joys made possible by living with integrity. We are here to take you away from superficial fluff rock and to give you something deeper for your own lifes journey, just as we intend to keep exploring and appreciating all that life has to offer each and every day.
