Relaxing and peaceful solo piano music, with a beautiful blend of contemporary and classical styling. 12 MP3 Songs EASY LISTENING: Mood Music, NEW AGE: Meditation Details: With a masterful touch of the keys, Thad Fiscella has just released his first full length piano CD Grand Design, a perfect blend of heartfelt simplicity and musical technique enjoyable for any occasion, and yet intricate enough to hear and feel new ambiances with each listening. Grand Design was inspired by his Life, Family, and his relationship with the Lord. It is a wonderful blend of classical and contemporary piano, for those who like Jim Brickman or George Winston. The music is simply relaxing and meditative, great for quiet times, mothers with new babies, dinner parties, weddings, art shows, businesses, or any place, or organization where background music is needed. Heres what others are saying: Thads music is a peaceful blend of piano music never heard before, unique and different than any other piano music, truly a gift from above. -Bonnie- Wonderfully delightful to listen to over and over again, he has an amazing way of blending the notes together while maintaining a brilliant light touch on the keys. -Carla- This CD is great for businesses, a breath of fresh music for employees and costumers. -Barb- His music can be summed up in two words, beautiful and inspiring. -Laura- Simply relaxing and meditative, I especially enjoy it for quite times, and while traveling. It is a wonderful blend of heartfelt emotion and stirring music. -Becky- I and others use it almost everyday for our day care kids in order to help them relax and calm down for the day great for getting the kids to relax and lie down for nap time. -Benita- Please feel free to listen to the samples provided, and visit his space on MSN for information, comments, or questions.
