Outer space modern blues with a twist of Kracker 11 MP3 Songs BLUES: Rockin' Blues, ROCK: Psychedelic Details: "A spaceship landed, and THE BLACK N BLUES crept onto the earth, sniffed out the instruments to make it swing for all of us. Thank god!" -J Thaine ----- The Black N Blues is an eclectic mix of blues, hardcore, and punk musical styles. It's members hale from both western Tennessee and upstate New York, giving the band something of a bluesy soulful voice tinged with a harder acid edge. Early on the group mainly played local pubs, bars and parties in the western New York area. However, the members soon felt it was time to up the ante by creating and performing a debut recording of their finest and funkier songs. Finally, after some conflict, The Black N Blues released the album "Fist Full of Love" produced under an independent label and ready for mass consumption. "Fist Full of Love" has already received high acclaim from it's faithful regional fans and the group already has another project in the works tentatively scheduled for release in mid-FEB 2005. So stay tuned, 'cause there's more to come from The Black N Blues..... ----- "Sometimes, THE BLACK N BLUES make my big toe jump up outta my boot!!!!" -H Fabashaw \*\*\*\*THIS IS AVAILIBLE FOR DOWNLOAD ON MOST MUSIC SERVICES\*\*\* We are sorry the new album is taking a long time to make. But.... That just means it will be good!
