**Details:** The Infamous TeLuvv (Todd Dillan Smith) surrendered his life to the Lord Jesus Christ November 29, 1998 during his freshman year at the University of Puget Sound. He was not lured to drugs or gang life, however, he stilled lived without Christ. Born out of Detroit, Michigan coming from a home of domestic violence, drugs and alcohol abuse, he left his home bitter and broken. He was aggressive, filled with rage and violence. He ultimately surrendered to God due to the constant emptiness he felt in the midst of the successes he thought he made for himself. Todd gave up everything in his life that he knew was not holy or righteous in the sight of God on his day of salvation. He received the call to minister through rap music during college. His experience with young people has been an ongoing delight ever since his middle school days. Today, The Infamous TeLuvv's evangelistic teaching ministry, Made Up Mind Ministries, will consist of other elements that concentrate on young people anywhere from grade school through college. Furthermore, many people of all sizes, shapes and colors have been inspired by his music, his message, his heart for God, his leadership and his love for young people. He has continued to submit to Jesus Christ as his personal Lord and Savior, taking up his cross daily for nearly 5 years now. TeLuvv has a MADE UP MIND to practice living to make it in." The Infamous has been blessed to minister at more than 60 events and counting. Some highlights include Life Christian Center, the Roxy Theatre, 2003 Mountain Dew Float Fest, The 2003 Gospel Fest, the 2003 Urban Demonstration, Camp Buttercreek, and TBN's JC-TV "Exit-16" Program. He is fed spiritually throughout the week and actively involved at Next Generation Christian Center under the ministry of Pastor Mike Wilson (253) 752-9889 located at 8920 Gravelly Lake Dr. SW, Lakewood, WA 98499.
