

Mp3 The Love Drums Live At Art & Soul - World: African

[DOWNLOAD HERE](#)

A very energetic celebratory evening recorded live in Nashville, TN. West African based rhythms with djembes, dun duns, congas. 12 MP3 Songs WORLD: African, WORLD: Island Details: The Love Drums are a group of drummers in Nashville, Tennessee who love West African, Middle Eastern and latin percussion based music. This CD is a live recording engineered by a professional studio engineer, Joe Funderburk. The Love Drums host a monthly community drum and dance event they call the Whizbang. This recording was done at a Whizbang in April of 2004. The songs on this CD are inspired by great drummers like Mamady Keita, Ubaka Hill and Babatundi Olatunji. Ed Haggard, a drum maker, teacher, drum circle facilitator, actor and poet leads the group and produces The Love Drums Radio Hour available at radiofreenashville.org.
