Rocking Blues Instrumentals-Grooves ranging from Television to Reggabluess 12 MP3 Songs BLUES: Jazzy Blues, BLUES: Rockin' Blues Details: Twelve rockin/jazzy/reggae blues makes a hot new sound by The Rhythmn Array. Danceable and funky, these blues were inspired by classic rockin blues grooves like Bang-A-Gong, JJ Cale, Albert Collins, John Lee Hooker, Cream, the Velvet Underground, Television, the Allman Brothers and Derek and Dominos. Add a dash of Bob Marley with a rockin blues at heart, each tune's got a different feeling of movin and groovin, from upbeat drivin to chillin. (A "Yuki Boost" is a special guitar stompbox made by Mitsuyuki, a Japanese engineer/designer out of Kobe Japan.) One of kind sound for a one of kind new blues band. ALWAYS ON SALE as part of cdbaby.com's "3 cds for \$15" deal. Try three from The Array's cd label: cdbaby.com/group/2005simplekool
